Re: *United States v Tayvon Brown*, 22 Cr. 373 (JGK)

Your Honor:

I represent Tayvon Brown in the referenced case and write to ask that the sentencing, currently scheduled for February 7, 2024, be postponed approximately one month, or to a date thereafter that is convenient for this Court. There are two reasons for this request. First, I am still in the process of receiving sentencing letters from Mr. Brown's friends and family, as well as various other records. Second, I have a number of other deadlines coinciding with the current deadline for filing Mr. Brown's sentencing submission. I have conferred with AUSA Patrick Moroney and he informs me that the government consents to this application.

Accordingly, I ask that the sentencing date be postponed approximately one month.

Respectfully submitted,

/s/
James E. Neuman
